

Careers in Engineering

Aerospace engineer

Chemical engineer

Civil engineer

Electrical engineer

Industrial engineer

Materials engineer

Mechanical engineer

Software engineer

Bio-chemical engineer

Bio-medical engineer

Computer engineer

Environmental engineer

Manufacturing engineer

Nuclear engineer

Architectural engineer

Agricultural engineer

Broadcasting engineer

Ceramic engineer

Construction engineer

Automotive engineer

Forest/paper engineer

Geological engineer

Petroleum engineer

Metallurgical engineer

Micro-electronic engineer

Mining engineer

Naval architecture and marine engineer

Ocean engineer

Surveying/geometrics engineer

Structural engineer

Pollution-control engineer
